- **Insurance cards**
- **Sunglasses and a driver if needed. Your pupils will be dilated for our examination.**
- **Patience. Because you may need to have special testing and/or procedures done, your visit may last from one to three hours. We make every attempt to see patients in a timely manner, but unforeseen emergencies may cause a delay.**
- **If you belong to one of the health insurance companies we participate with, we will bill covered services to them and wait for payment from the insurance company. It is our expectation you will pay your co-payment and/or visit charges as required by your insurance at the time of your appointment.**
  - **If you are uninsured or have insurance coverage by a plan with which we are non-participating, full payment is due at the time of service. For your convenience, we accept cash, checks, American Express, Visa, Mastercard and Discover.**

**If you have any questions concerning your appointment or our participation with your health insurance plan, please feel free to contact us. We look forward to meeting you and assisting with your medical care.**

**Sincerely,  
Pennsylvania Retina Specialists**
